

# Aled Owen Clinic

---

October 14 -15, 2009

AT

MTH FARM

1382 Flintwood Road - Franktown, CO - 303-688-3266 Office

Here is your opportunity to work with two times World Champion Handler Aled Owen from Wales. This clinic is open to all levels of handlers and dogs. Alden will address each handler's concerns and work with both handlers and their dogs to increase their skills.

This is the ONLY time Aled will be in Colorado or the United States for several years. Do not pass up this opportunity. This clinic is limited to 15 dogs.

We will start each day at 8:30 a.m. with coffee and questions, and then move to the field to work with sheep. Lunch is provided each day.

Each dog and handler will receive individual training with Alden and we ask that each handler stay and be part of the whole day's activities.

RV camping is available at MTH Farm with no electric or water hook ups.

**You must have your entry form submitted no later then August 28, 2009 with your full payment. No refunds will be issued unless Alden Owen or DMT Enterprises, Inc. cancels this clinic. You may transfer your clinic entry.**
